

# 6% “Energy Smart Loan” Program

Planning to upgrade your home to make it more energy efficient?

NOW is the ideal time to call your cooperative and ask about a Smart Loan. It's a 6% loan to help you fix-up your home.

The ERC loan covers just about everything from water heaters and weather-stripping to heat pumps and storm doors. Best of all... you can borrow money to make those home improvements and have up to seven years to repay the loan.

For more information about how you can qualify for a 6% “Smart Loan”, give us a call at 405-656-2322.

*Another “Good Neighbor” service offered by Caddo Electric Cooperative.*
